

# Lynkwell + EVSTAR = **EVSE-360™**

An Offering Unlike Any Other in the EV Charging Industry

EVSE-360™ is a software-driven solution backed by an A+ rated insurance company, offering comprehensive performance analytics and warranty protection that exceeds the limited scope of standard OEM warranties. Site hosts enjoy all the benefits associated with EV charging ownership while minimizing operational risks.

## We've Got You Connected... with Lynkwell's Performance Analytics

- **Comprehensive Insights** – Gain a 360° view of charger revenue, health, and performance through an intuitive dashboard, helping site hosts optimize operations and profitability.
- **Real-Time Monitoring** – Stay informed in real time with insights into station performance, allowing proactive decision-making and better site management.
- **Flexible & Configurable** – Ability to fine-tune your charger settings to match the uniqueness of site, drivers, and location needs.
- **Seamless Interoperability** – Works with all chargers in our extensive catalog, allowing site hosts the flexibility to deploy hardware that best fits their needs.
- **Staying Connected** – Multi-carrier SIM technology ensures higher connectivity uptime, keeping chargers online and reducing downtime.
- **Leverage the Latest Tech** – Ongoing access to new features like energy management, guest charging, session limits, and more.

+ Combined with EVSTAR's Warranty Program to create a unique offering

## We've Got You Covered...with EVSE-360™

The EVSE-360™ Solution Subscription Includes:

- ✓ **Backed by A+ Rated Insurance** – Your coverage is underwritten by a top-rated insurer, providing long-term reliability and financial security.
- ✓ **Full Value Protection** – 100% coverage for replacement or repairs throughout the entirety of the term. Labor and shipping are included.
- ✓ **Revenue Reimbursement** – If a claim is not resolved in less than 72 hours of the claim being approved, we will reimburse you a portion of lost revenue.
- ✓ **U.S.-Based, Human Team** – Our 24/7 support, development, and technician teams are real people, working locally in the U.S. to provide hands-on support throughout your EV station's lifecycle.
- ✓ **Nationwide Coverage** – Includes the District of Columbia, Alaska, and Hawaii.
- ✓ **Hassle-Free Claims** – A simple and efficient claims process to ensure fast resolutions.
- ✓ **Flexible Annual Plan with a 5-year Term Option**

**EVSE-360™ supports a robust and growing catalogue of OEM hardware powered by an industry-leading software!**
